

VOLUNTEER CERTIFICATE

This certificate is proudly awarded to

Prasham Kothari

in recognition of your valuable contribution as a volunteer during Asaadharan Foundation's first-ever Annual Day Celebration held on 29th March 2025 at Government School No. 199, Surat.

Your spirit of service truly reflects the belief that –
"हर बच्चा सक्षम है, अगर हम सब मिलकर उसका साथ दें!"

Our Vision: All children in Gujarat have an equitable opportunity to attain holistic foundational education.

At Asaadharan, we are building a movement of community-rooted leaders to transform education in government schools of Surat. Since 2016, we've been addressing systemic gaps like severe teacher shortages and poor learning outcomes. In 2019, we registered as a Section 8 non-profit to deepen our impact.

Through our Asaadharan School Transformation Project, we bring skilled individuals into the system, upskill teachers, engage communities, and nurture student leaders. We currently manage two Government Schools, where our Edu-leaders deliver holistic, interactive learning experiences.

To extend learning beyond classrooms, our Reading Campaign mobilizes volunteers to engage slum-community children every Sunday through storytelling, play, and creative expression.

Your time, energy, and wholehearted efforts played a vital role in making this event a grand success and in spreading joy to over 1800 children, their families, teachers, and community members.
